Feb 18, 2011 I have downloaded map of map king (from 4600's way) using PowerMap X8.5 English. and i don't have the map apckage,now i want to use it. but it's already installed. how to use it? I don't see it in the list of maps.....?? Feb 24,

2011 i don't know why but i have 2 versions of mapking. one is MAPKING APAC for Singapore and the other is for Chonburi. this version have a bad quality, the zoom in to the map is not clear. it's very small in width. if i want the map in Chonburi i need to download the MAPKING APAC CHONBURI. now i don't want to download MAPKING APAC because it's too small. it's very small in width. Feb 18, 2011 A QUESTION: When i use the mapv9. MAPKING or POWER MAP or Z9, what are those software? How many country maps can they set up? They do not have a list what software name you have download or what country map you have download. Feb 24, 2011 For the mapking i can download the map only those who are going from Chonburi to the north east of Thailand..... for MAPKING i can download the whole map of Chonburi, Siam area, Cambodia area and Singapore area. Feb 24, 2011 now, I'm more confused. does these software can share the same country maps? if so, why can i just download the Singapore map using the power map software (Z9 version) but can't using the mapking software (mapking 2.0 APAC). Feb 24, 2011 I have downloaded Map e24f408de9
